PROSPECTUS

Scad World School

SCAD World School – a modern school located at Chengalpet - Chennai National Highway, spread over in 25 acre with abundant green cover, having 1,00,000 square feet of build up space. It provides 25% : 75% ration between the built up area and open space. SCAD World School is a recent addition to SCAD Group of Institutions, built with an aim to provide the best education and to develop all round talents and skills of the students.

SCAD World School is a long cherished dreaming of Dr. S. Cletus Babu whose vision was to promote a philosophy of education that empowers individuals to make a change in society. In the last 30 years, he has made difference in the lives of many. In addition to Engineering Colleges and Technical Institutes, SCAD Group is engaged in the school education as one of the core services to the nation.

Our Vision

Forming our students into innovative leaders and entrepreneurs who would promote other-centered values of life by which we emerge as Global School of Excellence.

Our Philosophy

- We form the character of our students equipped with knowledge, skills and talent.
- Our teaching-learning-evaluation process guides our students form proper attitudes, appropriate behavior patterns and mindsets.
- The learning helps our students focus on local concerns with global mindset.
- At the end, our students would leave the portals of the school with competence, confidence and creative persons.

Our Facilities

- Modern and sophisticated labs

Our Faculty

We have very committed and dedicated teachers with tremendous experience in educational field. Most of our teachers are well qualified and experienced with advanced degrees to cater the multifarious needs of the students. Quality and excellence are the watchwords in our teaching. To this, our teachers are committed and competent.

KG Section

SCAD World School offers a rich and varied environment in the KG section within which your children can flourish. Our caring and dedicated staff works with the students to ensure progress effectively both academically and socially.

Primary Section

The primary school of SCAD World School follows Activity Oriented learning and gives value additions for the complete development of the child. SCAD World School intends to inculcate practical learning approach in a child friendly environment. The school provides an activity lab with special educators and ensures that the needs of the students are addressed.

The Learning Process

Projects

At SCAD World School, projects are designed to aid comprehensive understanding in each student. Students will be encouraged and guided to engage in extended research projects around agreed upon topics such as social justice, empowering the youths, world religions etc.

The SCAD World School is working towards establishing partnerships with a few specific schools from across the world, so as to enable our students to engage in joint projects with their foreign counterparts; also giving them opportunities in to getting an exposure to their cultures.

Due to the available bank of Alumni who have passed out from the various arms of our parent institution SCAD, our students will get ample opportunities to interact with dynamic individuals who have made a name for themselves in Society.

A school is not just for students! An active Parent Participation programme contributes to school life in many ways. The school will organize workshops, trainings, and activities for parents to participate, on their own and also with their children.

Our Life Skill Activities

'Don't judge each day by the harvest you reap but by the seeds that you plant.'

- Robert Louis Stevenson

SCAD World School has a specifically designed Centre For Life & Creative Skills, where we offer skill and career oriented learning and workshops in the following areas:

- Personal grooming
- Photography & Film Making
- Communication & Social Skills
- Entrepreneurship
- First Aid
- Robotics
- Drawing and painting
- Farming & Horticulture
- Culinary Skills

Sports

Our approach to sport at SCAD World School linked to our core belief of excellence in all spheres and that every pupil has the ability to achieve something incredible beyond the classroom.

The main objective of the sports programme, therefore, would be to identify and develop a skill in every pupil, because achievement in one area so often proves to be the key to success in school life as a whole.

All the students would participate in physical education classes, an integral part of the curriculum, and will revolve around guidelines on healthy lifestyles, exercise and sensible diet.

SCAD World School will initiate a comprehensive sports programme and have multiple teams. Our student-athletes will compete, against local area schools in Chengalpet - Chennai and other international schools throughout India, and even internationally.

We are initiating the process of obtaining membership of the International Schools Sports Association (ISSA) and will compete annually in season-ending tournaments in the sports of volleyball, basketball, athletics, cricket, tennis, trekking and indoor games like carom, billiards, snooker, table tennis, squash and roller skating.

Other Amenities

- Phone and Internet facilities are provided to enable effective communication between students and parents
- Television will be available for leisure viewing at allocated times
- Laundry services, including washing, drying and pressing in sanitized conditions, are extended to the students and members of staff
- Reverse Osmosis Plant provides safe drinking water to the entire campus
- The campus provides a 24 hour uninterrupted power supply
- Safety and security is of paramount concern and the campus has round the clock security personnel and CCTV, without breaching privacy

Contact Session

We believe that a successful education is based upon very strong and positive relationships with the parents. We are happy to assist the parents in discovering the potentiality of their children, to give the student the diagnosis needed to set them towards that goal and to develop the skills needed to be a winner in life.

A home away from Home : HOSTEL

Caring :

Sending children to a boarding school is one of the hardest decisions for parents to make. After all, who else can understand and care for them like you do? And what about the insecurity they may feel leaving home and all that is familiar?

Your worries are natural, but once you visit our school and experience the unique environment that is protective and attentive like home and, at the same time, gives them space to grow, you'll know you've made the right choice.

The world class learning facilities, the delicious and healthy multi cuisine meals, the sylvan surroundings, the cozy rooms and friendly staff will leave your child in no doubt about how much his or her happiness matters to you

As a boarding school, a wonderful sense of connection between the students and faculty is remarkably apparent. Personal care and attention is provided to each and every boarder to create a home away from home.

Nutritious Diet :

Meal plans are drawn up in consultation with a nutritionist to ensure a healthy, well balanced diet. A wide choice of Indian and Continental cuisine is on offer. Meal times are fun where students get together and have their food under the observant eyes of their mentors. There is a water treatment plant to provide clean and safe drinking water throughout the campus.
