

Schooling through life!

SCAD World School provides students with a unique blend of natural beauty and modern amenities. Covering 25 acres of lush, green land, the school creates a peaceful atmosphere of learning, allowing students to develop and grow to their fullest potential.

Our mission at Scad World School is to cultivate a secure and enriching learning experience that encourages holistic development for all students from varying backgrounds, identities, and experiences. we work to create an atmosphere where each learner feels supported in unlocking their highest potential through stimulating cultural exchanges and creative exploration.

- ANANTHI BABU, Correspondent.

# WHAT WE DO

Our school provides a student-friendly learning experience that helps unlock the potential of each individual.

Experienced educators provide essential knowledge for children to learn and reach their full academic potential.

Our diverse programmes at our school give children the extra tools they need to reach success in today's ever-evolving world

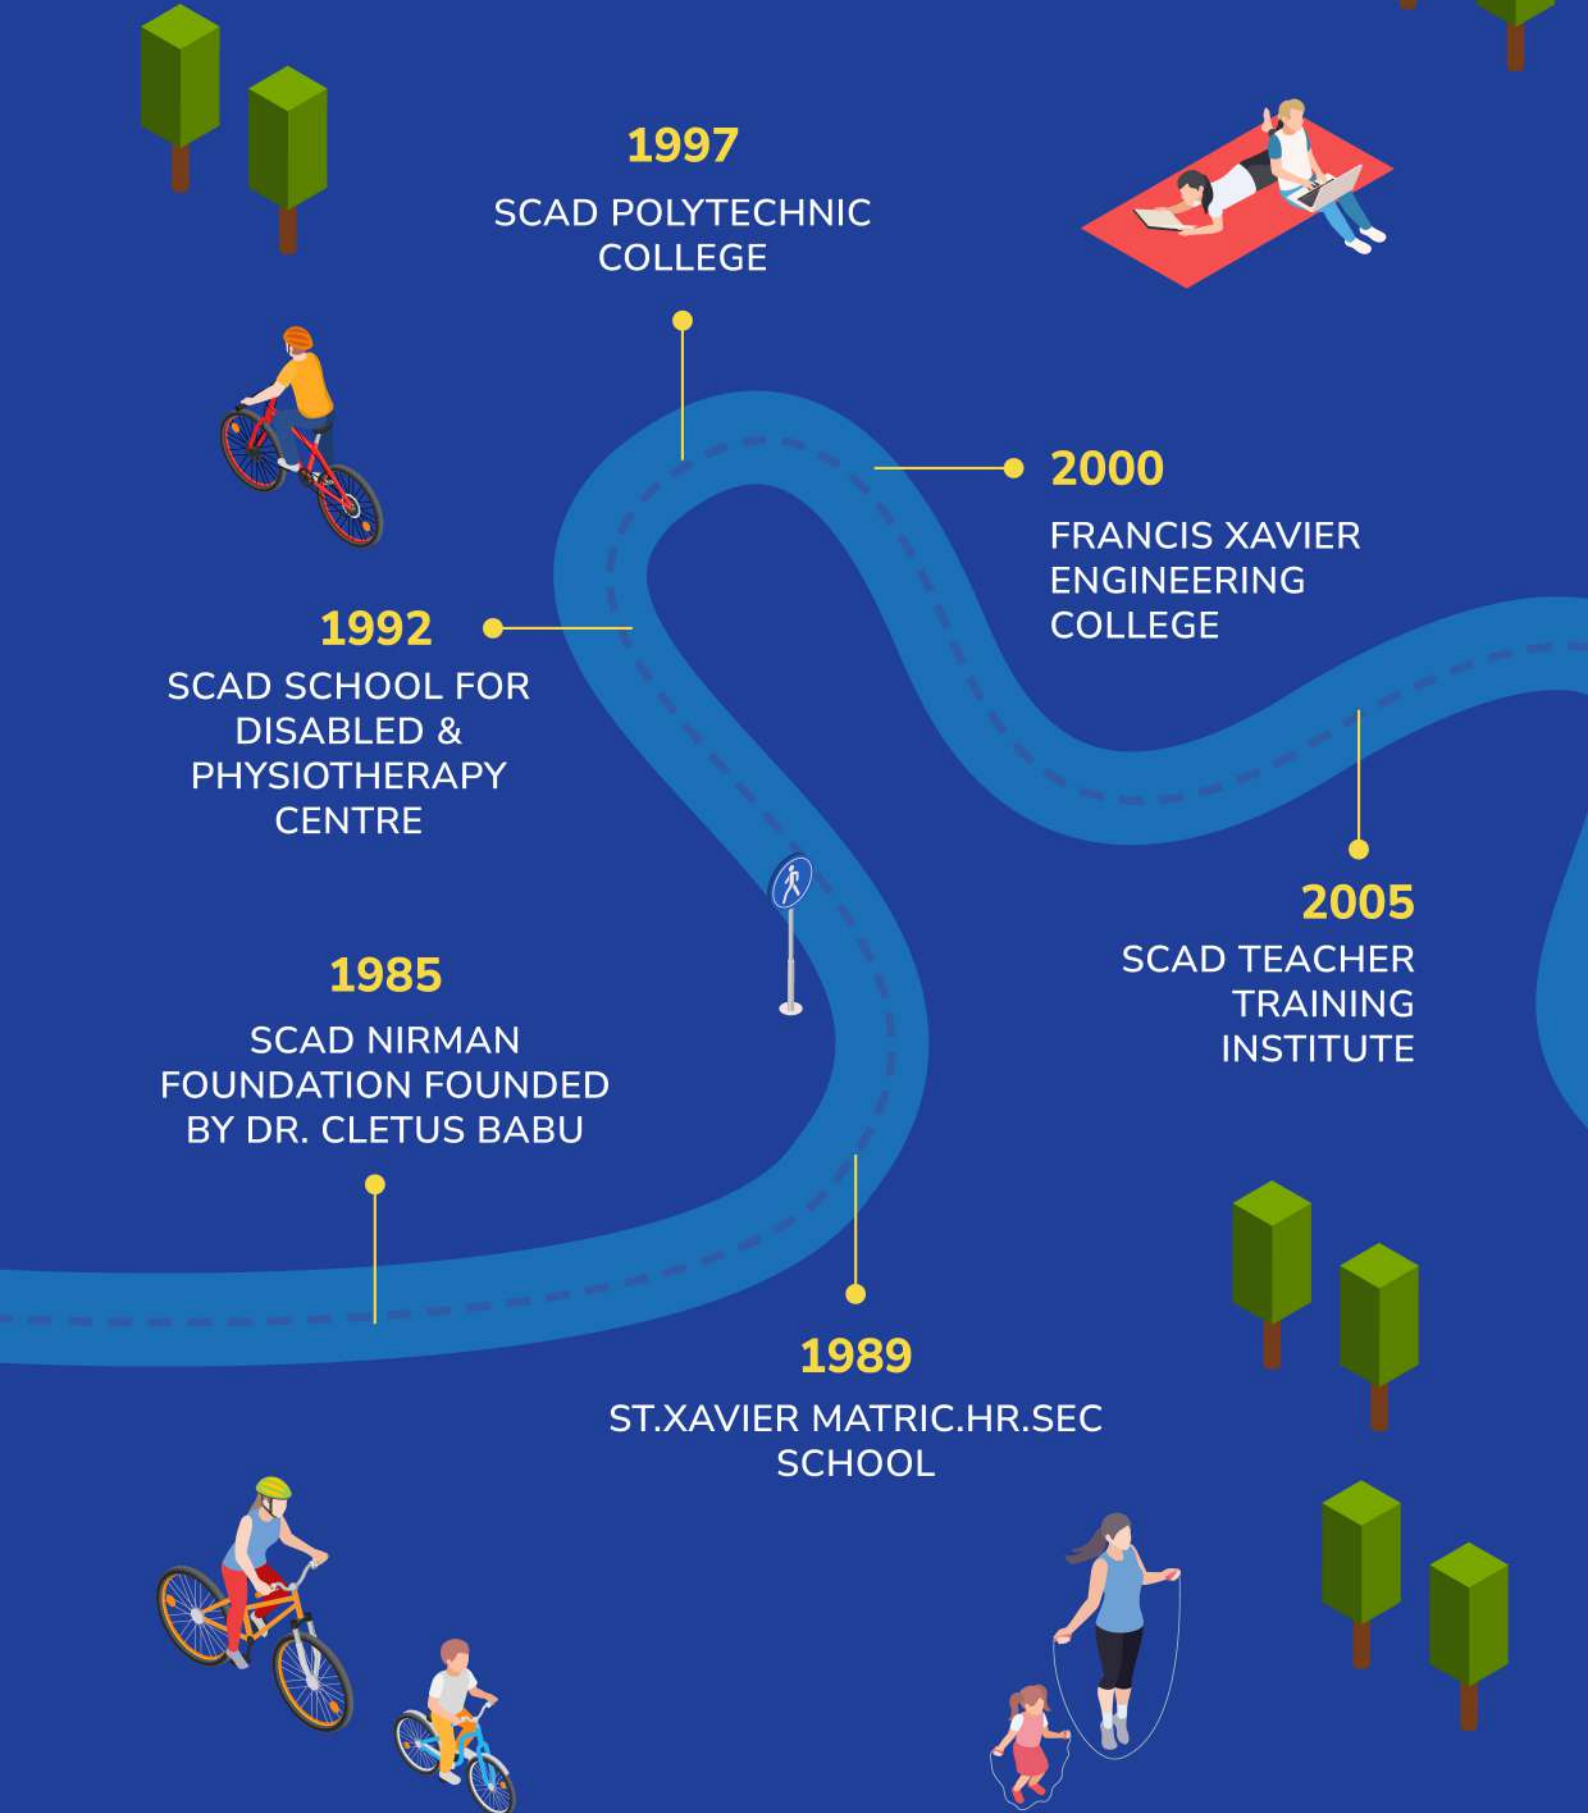

Our faculty creates an environment that promotes exploration and encourages inquisitive behaviour—all key elements that result in academic success!

With a range of educational activities outside of the classroom, youngsters can understand concepts that they may not be exposed to in traditional education.

# OUR VISION

“A disciplined life with a spiritual base and excellence of men and matters is a right of every child to grow into a powerful citizen of this country”

# OUR MISSION

To create a system of education where all children get access to quality education of their choice and our educational aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable who will be champion and the cause of justice, love, truth, peace and who are ever open to further growth.

# OUR GOALS

Our goal is to provide a holistic education built through the foundation of service, Adventure, Sports, Creative Arts and Academics.

Our school emphasises on the overall development of every child, to help reach their potential, identify their field of Interest and motivate them to progress, to think positive, stay focused and resilient, strive for excellence , enjoy nature and nurture it, obstinate to achieve goals.

## How do we achieve it year after year:

The process of development is slow but steady. It all starts from Identifying their innate ability, training, supporting them, using constructive pedagogy, individual care and attention, creating a holistic learning platform, team play, new methodologies, activities and programmes to suit the era.

# THE SCAD **PROCESS**

It's about individualised guidance and mentorship tailored to their strengths.

We believe students can truly thrive when they receive individualized guidance to help reach their full potential! We don't just provide the tools; instead, we give each student their own tailored mentorship. This support is designed to foster personal growth and develop skills that build on their inherent strengths. Any child can learn a lesson; here, at our school, we strive to inspire a lifelong thirst for knowledge.

# OUR FEATURES

- We bring in expertise to train our students from International platforms.
- Our main focus is to transform Education as a tool to promote Child's mental and physical development.
- We ensure Quality & Inclusive Education and promote lifelong learning opportunities.
- Strong Foundation in the Primary Sector for Literacy & Numeracy.
- Adept and well trained, qualified teachers in every Subject/ Sector.
- Teachers as mentors and Counselors to understand, support and guide issues of students at every stage.
- We focus on a strong pedagogy, with an ambitious vision of promoting skill development every year.
- We also have a French speaking Teacher to teach French so that our students could get an international exposure right on our campus.

# OUR CULTURE

**SCAD is a place  
where students can  
experience the best  
modern education  
and global culture.**

Living up to its name, SCAD World School impeccably bridges modern education practices with global culture. Not limited to academics, the school offers a wide spectrum of social and cultural activities for the holistic development of its students.

Until today, the Chengalpet based institution has been providing an exclusive platform where students can experience the best that academic life has to offer.

This includes everything from intellectual development to adaptive team building exercises specially designed by renowned educators.

The precious knowledge imparted by respective tutors also gives students an avenue to express their interest in a magnanimous way as far as harnessing immense life skills such as problem solving, communication understanding and creative thinking are concerned.

# TEACHERS OF SCAD

The school has invested in professional development for its staff and encourages them to explore new ideas, approaches and techniques.

SCAD World School is proud to bring on board a top-notch faculty with years of experience. From specializations such as the sciences, the humanities and performing arts to extracurricular activities, these teachers have it all covered.

They take students on a journey tasked with unlocking their intellect and unleashing their potential. Moreover, these highly experienced teachers showcase command in honing students abilities in an array of subject areas and equip them with industry knowledge and know how by sharing valuable insights from their fields.

# LIFE AT SCAD

**SCAD provides a vibrant, nurturing and inspiring environment for students of all ages.**

Facilities are filled with the latest technology, allowing anyone to gain the skills and tools they would need to succeed. Plus, faculty members devote themselves to safety, as well as cultivating ideas and helping small businesses thrive.

SCAD creates an atmosphere that is not only visually stunning, but also infused with positive energy.

SCAD wants everyone enrolled here to build valuable connections while developing innovative skills.

# FACILITIES

## SMART CLASSROOMS

Equipped with the latest technology, we make it easy for students to collaborate on projects and experiments. The floor ratio with the furniture is child friendly and spacious.

## LIBRARY

An impressive resource that houses works from world-class writers while also providing students access to the latest resources and study materials.

## LABORATORIES

Giving students an opportunity to explore the world of science and engineering in a safe and collaborative environment. We encourage students to conduct experiments and practice their skills with real-world applications.

## TECH + TRADITION

We believe in providing our students with the best educational experience possible; one that blends traditional methods with modern technology and gives them access to high-quality resources tailored to their individual needs.

## SCAD CLUBS

Students can explore their creative side through a variety of art classes, music, dance and other mediums. Classes are available for all skill levels, providing a safe and encouraging environment to learn and express themselves.

## CULTURAL ACTIVITIES

SCAD provides a platform for students to engage with different cultures through a multitude of events held throughout the year. These include performances celebrating local customs and traditions such as music festivals, food fairs and more.

# SPORTS AT SCAD

There's a great selection of sporting facilities and sports for our students to dig into.

We boast a diverse range of offerings, designed to make sure that everyone can find something they're passionate about. Whether one prefers team, individual or an outdoor activity—there's an option here that was made just for anyone.

There's no shortage of atmosphere to get involved in either – with vibrant athletic facilities having been constructed in recent years, students are able to take their talent right up to the playing field in no time.

# STUDENT CARE

## CAFETERIA

SCAD World School offers a variety of nutritious and well-balanced meals to meet the needs of all students. The cafeteria has an extensive selection of delicious dishes, with many options meeting various dietary requirements.

## TRANSPORTATION

We provides reliable transportation options for students, with a robust transportation system in place to help them get to and from school safely. The school also has systems in place to monitor and track the movement of its fleet.

## OTHER ACTIVITIES

Apart from extracurricular clubs at SCAD, there are also plenty of recreational activities open to all students such as Sports Clubs, Rifle Club, field trips and weekly lectures by industry professionals delivered online or onsite.

# AWARDS AND ACCOLADES

SCAD World School has esteemed awards to its name. It received the honor of winning the 'Innovative Learning Practices of the Year' award. With a goal to become frontrunners in excellence, we were even awarded the prestigious 'Outstanding Academic Excellence Award' - a true benchmark of success in education.

**LET'S  
UNLOCK  
YOUR  
POTENTIAL**

Come take a tour of SCAD World School and experience excellence in action. Our commitment to safety and education sets us apart, so come meet our friendly teachers, chat with current students, explore all the beautiful facilities we offer - it's an opportunity like no other!
